

# DOING BUSINESS WITH US

Visit [www.portsanantonio.us/contracting](http://www.portsanantonio.us/contracting) to register as a vendor and to find out about current opportunities.

## Overview

The Port encourages the participation of a diversity of businesses in various procurement opportunities to support its contribution to the overall growth of San Antonio.

## Procurement Process

Port San Antonio is a defense base development authority established by the City of San Antonio under Texas Law. The Port is a standalone political subdivision of the State.

The organization may utilize various procurement transactions in accordance with applicable federal, state, and local laws and funding sources.
