STATEMENT OF UNDERSTANDING

The undersigned requests that a fast-track fire permit be issued to allow the work to proceed prior to the approval of the design documents. It is understood that all work performed prior to the approval of the plans and issuance of the full permit is done completely at the permit holder's own risk. Any work that is found to not comply with the approved plans shall be corrected. **The undersigned applicant acknowledges the following conditions:**

- **No work will be inspected without the approved plans on the job site.**
- **No work may be concealed (including behind lay-in ceiling tiles) without inspection approval.**
- **No Certificate of Occupancy will be issued without inspection approval.**
- **Fast Track Permit will expire in 45 days unless renewal is approved by the Building Official or his designee.**

The permit holder shall notify the general contractor of these conditions. Furthermore, the applicant agrees to proceed with the development and obtain approval of the design documents as soon as possible. All review issues shall be resolved, and the full permit shall be obtained without delay.

Expiration of Application

An application for a permit for any proposed work or operations shall be deemed to have been abandoned one hundred eighty (180) days after the date of filing, unless such application has been diligently prosecuted or a permit shall have been issued; except that the fire code official is authorized to grant one or more extensions of time for additional periods not exceeding one hundred eighty (180) days each if there is reasonable cause. (2021 IFC Section 105.3.1 and 105.3.2)

CERTIFICATION

This document is a governmental record. Individuals who knowingly make a false entry in, or false alteration of, a governmental record are subject to criminal prosecution under Section 37.10 of the Penal Code, Vernon's Texas Code Amended.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to violate or cancel the provisions of any other state or local law regulating constitution or the performance of construction. I also understand that the installation of any of the work related to this permit application shall not proceed until approved plans are issued from the Port San Antonio.
